

RHHOA Newsletter

Updates for the homeowners:

PARK PLAYGROUND-

We have the playground equipment, and have received funds for installing – thanks to everyone who has donated. We are approximately \$2,900 short of being able to install the equipment. We would love to install this spring. If you can help, please send a check to RHHOA to PO Box 50016, Colo Spgs, CO 80949

ANNUAL MEETING / New Board members

The annual meeting is set for May 4th. Myself (Brad) and Kathy McBride will be ending our terms. We need at least 2 volunteers who would be interested in helping. Please contact any board member if you would be interested in being on the ballot.

TRASH / *Change companies and save enough to pay your annual dues!*

It would be nice to only have trash out one day a week in our neighborhood. The board worked a deal with Rocky Mountain Trash which is a local owned and operated company. We worked a deal for our association for only \$13 a month including recycling! For most people this is a savings of \$60 a year – WHICH PAYS your annual dues!!! Please consider changing when your bill comes due to help eliminate trash being out so many days AND save your annual dues. Please call Rocky Mountain disposal at 492-2050 and tell them you are in the RHHOA.

PARKING

It is in our covenants that no vehicle may be parked on the streets at night. It is a safety issue as well as keeping our neighborhood from looking like a poor area. When it snows it is even a bigger safety issue. PLEASE BE CONSIDERATE and do not park your vehicle on the street whenever possible and do not park overnight on the street.

INFO / EMAIL CHANGES

Please tell us of any info changes. Contact us through the internet site or send a letter.

DUES

If you haven't paid your dues – please do so as soon as possible. It is difficult and takes a lot of time for volunteers to chase down those who don't pay in a timely manner.

COVENANTS / BY-LAWS

A committee is being developed apart from the board to help update our covenants and by-laws. This has been long overdue. The committee will be dealing with all the new state and federal laws to bring us in compliance. If you have any ideas or thoughts that you want to be considered, please write them down and send to the board, or you may express your opinions on the internet site.

Thank you,

Brad Keating (RHHOA President)
